

Colour and Build a Rescue Boat

Here is Your Mission

The waves are rising, and someone needs help out at sea! But wait – the rescue boat still needs a colour upgrade before it can sail. Use your puzzle-solving skills to unlock the boat's colours, colour it in, and build it strong. Once complete, your rescue boat will zoom through choppy waters, helping those in need and making brave rescues. It's a mission full of courage, colour, and creativity – and you're the captain!

INSTRUCTIONS

What You Need

- Boat template (with number colouring)
- Glue stick
- Colouring pens
- Scissors

Activity - 1

Answer Maths and English Questions to get the Secret Colour Code

The cut-out **boat** has different numbers on its parts. Solve the questions below to find the right colour for each number. Then, colour the boat using your answers and get ready to build!

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21
V	W	X	Y	Z	Each letter in this table has a number assigned to it. Use the number to answer the question below.															
22	23	24	25	26																

1 Find the missing letter: **B A T**

Clue: It floats on water and helps people during a rescue at sea. Look at the alphabet table above and find the number that matches the missing letter. Now, find all the parts of the **cut-out boat** marked with that number and colour them **BLACK**.

2 Find the missing letter in the word: **S IP**

Clue: It floats on water and travels across oceans, carrying people or things. Look at the alphabet table above and find the number that matches the missing letter. Now, find all the parts of the **cut-out boat** marked with that number and colour them **RED**.

3 What is 12×2 ? Check your answer on the **cut-out boat** and colour all the part with that number **YELLOW**.

4 What is $25 - 15$? Check your answer on the **cut-out boat** and colour all the part with that number **BLUE**.

Activity - 2

Build the Boat

Now that you've finished colouring, it's time to build your rescue boat!

Cut out the boat and fold carefully along the dotted lines. Apply glue to the grey areas on the cut-out boat. Once it's built, your boat is ready to sail.
