

Colour and Build a Helicopter

Here is Your Mission

There's an emergency on the mountaintop, and the rescue helicopter is on standby! But before it can take off, it needs a colour upgrade. Use your skills to unlock the right colours, paint it up, and build it strong. Once it's ready, the helicopter will soar through the skies on a daring mission to save the day!

INSTRUCTIONS

What You Need

1. Helicopter template (with number colouring)
2. Glue stick
3. Colouring pens
4. Scissors

Activity - 1

Answer Maths and English Questions to get the Secret Colour Code

The **helicopter template** has different numbers on its parts. Solve the questions below to find the right colour for each number. Then, colour the helicopter using your answers and get ready to build!

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21
V	W	X	Y	Z	Each letter in this table has a number assigned to it. Use the number to answer the question below.															
22	23	24	25	26																

1 Find the missing letter: LADE

Clue: A helicopter can't fly without this spinning part.

Look at the alphabet table above and find the number that matches the missing letter.

Now, find all the parts of the **helicopter** marked with that number and colour them **BLUE**.

2 Find the missing letter in the word: H LP

Clue: What you do when someone is in trouble.

Look at the alphabet table above and find the number that matches the missing letter.

Now, find all the parts of the **helicopter** marked with that number and colour them **BLACK**.

3 What is $38 - 28$? Check your answer on the cut-out helicopter and colour all the part with that number RED.

4 What is 15×2 ? Check your answer on the cut-out helicopter and colour all the part with that number YELLOW.

Activity - 2

Build the Helicopter

Now that you've finished colouring, it's time to build your rescue helicopter! Cut out the helicopter and fold carefully along the dotted lines. Apply glue to the grey areas on the cut-out helicopter.

Once it's built, your helicopter is mission-ready — spinning into action to lift people to safety and save the day!
