

## Here is Your Mission

It's the first day of school and the city bus is getting a makeover! Help paint and build it in time for the morning pick-up.

### INSTRUCTIONS

#### What You Need

1. School bus template (with number colouring) 
2. Glue stick
3. Colouring pens
4. Scissors

#### Activity - 1

#### Solve the Maths to get the Secret Colour Code

The school bus contains different numbers. Solve the following maths to find out the colour to use for each number.

- 1** Solve the math below to figure out the number for **RED**.

$$21 \div 3 = \text{[Red Box]}$$

Check your answer on the **cut-out school bus**, and colour all the part with that number **RED**.

- 2** Solve the maths below to figure out the number for **BLUE**.

$$28 \div 2 = \text{[Blue Box]}$$

Check your answer on the **cut-out school bus** and colour all the part with that number **BLUE**.

- 3** Unscramble the word **NIRES** to get the number for **BLACK**.

**Clue:** You hear it on police cars, ambulances, or fire trucks.

(a) SERIN = 3, (b) SIREN = 10 (c) SRINE = 29

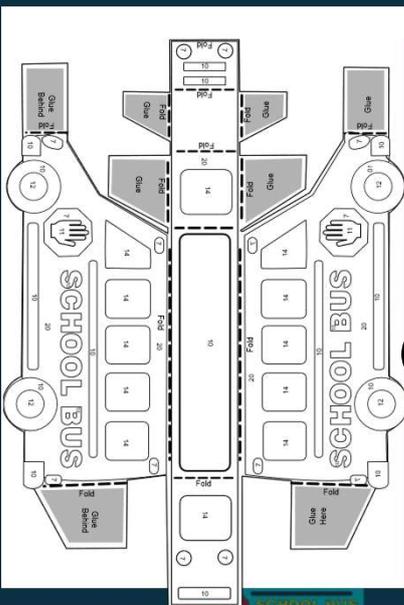

Check your answer on the **cut-out school bus** and colour all the part with that number **BLACK**.

- 4** Unscramble the word **USB**

**Clue:** It has wheels, carries children to school.

(a) BUS = 20, (b) USB = 33 (c) SUB = 42

Check your answer on the **cut-out school bus** and colour all the part with that number **YELLOW**.

#### Activity - 2

#### Build the School Bus

Now that you have finished colouring, you're ready to build the bus, cut out the school bus and fold along the dotted lines. Apply glue on the grey coloured parts as instructed on the **cut-out bus**.

Once you have finished building it, you have saved the day, and the school bus is ready for morning pick-up!
